COVID Testing Program for Work, School, Sports and Travel

Whether you need on-site testers or trained staff to administer your own testing kits, All Medical Personnel can build a customized COVID-19 testing program for your organization anywhere in the United States.

We are helping hospitals, laboratories, schools, and nationally recognized sports venues ensure the safety of employees, teachers, students, athletes, passengers, and patients.

Pandemic Staffing programs at All Medical Personnel include:

- Testing
- Screening
- Tracing
- Vaccinating

Three Decades of Staffing: #WeHelpYouHelpPeople

All Medical Personnel has helped organizations and practitioners for 30 years. We help clients take care of customers and patients. We help candidates find meaningful work. We help communities by giving back. And we help each other deliver a superb customer experience.

Our personal approach to service is why thousands of clients and candidates rely on us as a trusted business partner.

We invite you to learn more about us at allmedical.com or by contacting us via phone or web.
