

National COVID-19 Vaccine Staffing

National COVID-19 Vaccination Staffing Program

Getting vaccinated against COVID-19 may soon become a way-of-life for everyone in the nation. In anticipation of COVID-19 vaccinations being made available to the public, All Medical Personnel stands ready to assist organizations with deploying it using our national vaccination staffing program. Plan ahead by letting us know you're interested in this service, and when a vaccine is ready for distribution, we'll be there to help you staff for it.

Pandemic Staffing programs at All Medical Personnel include:

- Testing for Work, School & Sports
- Onsite Health Screening
- Contact Tracing
- Vaccinations
- Customized specialty solutions

Three Decades of Staffing: #WeHelpYouHelpPeople

All Medical Personnel has helped organizations and practitioners for 30 years. We help clients take care of customers and patients. We help candidates find meaningful work. We help communities by giving back. And we help each other deliver a superb customer experience.

Our personal approach to service is why thousands of clients and candidates rely on us as a trusted business partner.

We invite you to learn more about us at allmedical.com or by contacting us via phone or web.
